

Shantilal Shah Engineering College, Bhavnagar

Brief report on finishing school program: 2019-2020-2021

Shantilal Shah Engineering College, Bhavnagar organized finishing school program for eight batches of final year students. KCG empanelled trainers Ms. Supreeti Negi, Mr. Shorab Negi, Ms. Megha Antani, Ms. Ankita Dave, Ms. Janma Vasavada, Ms. Komal Baxi, Mr. Tanmay Naik, Ms. Aalisha Katira, Ms. Pooja Raval, Dr. Chhaya Parekh trained these eight batches comprising of 224 students from Civil, Electrical, Mechanical, EC, IT branch students in online mode. The trainers conducted the training sessions by initial ice-breaking through providing stage to students by making everyone introduce themselves, and by motivational videos and intense discussions. Grooming for professional etiquette and dressing and use of internet/social media and communication were another interesting sessions which saw active participation from students. Students were interactive and enjoyed their sessions on resume building; group discussion and public speaking as they provided them feel for their real life situations. The students found themselves intrigued to methods that provided them opportunities to fine-tune their skills into a professional way that ultimately would make them more employable. Students have given very encouraging feedbacks to this novel initiative of the Government of Gujarat and KCG.
