G-20: Perspectives & Priorities

Feb 22, 2023

Time & Venue

3:30 pm onwards
Group Discussion Hall, 1st floor, Admin block

Event Co-Ordinator:

**Dr. U.K. Chhaya
Prof. N.P. Soni**

Preamble :

India will assume the G20 Presidency from the 1st of December this year from Indonesia and will convene the G20 Leaders' Summit for the first time in the country in 2023. A nation deeply committed to democracy and multilateralism, India's G20 Presidency would be a watershed moment in her history as it seeks to play an important role by finding pragmatic global solutions for the wellbeing of all, and in doing so, manifest the true spirit of 'Vasudhaiva Kutumbakam' or the 'World is One Family'.

The government will have to begin working together with civil society organisations, think tanks, businesses, youth and women to deliver on Agenda 2023 and the agenda of G20 that responds to the COVID-19 pandemic, climate and inclusive sustainable development.

Introduction:

Under G20 : Activities, A round table Panel Discussion on G-20 : Perspectives and Priorities on 22/02/2023 at Group Discussion Hall, First floor, Admin Block was coordinated by **Dr. U. K. Chhaya** and **Prof. N. P. Soni**. In the round table discussion, the perspectives and priorities of the G20 summit was discussed by Dr. U. K. Chhaya and the floor was made open for panel discussion. Total 14 participant took participation in the round table discussion. Principal, Dr. M. G. Bhatt give his extensive views on the G20 Aspects and probability of getting the better opportunities for the young generation through various perspectives of G20 summit.

Concluding Outcomes of the round table summit:

1. Building socially relevant and resilient infrastructure that works for the people and the planet.

2. 19 of the G20 countries have chosen to provide financial support to their domestic oil, coal and/or gas sectors and 14 countries bailed out their national airline companies without climate conditions attached.
3. The Ecosystem Approach is a strategy for the integrated management of land, water and living resources that promotes conservation and sustainable use in an equitable way.
