26<sup>th</sup> November 2021

India is governed in terms of the constitution of India, which was adopted by the constitution Assembly on 26th November 1949 and came into force on 26th January, 1950. “The Constitution Day” was celebrated at Shantilal Shah Engineering College, Bhavnagar on 26th November, 2021, to spread awareness about the Indian Constitution and to instil true democratic values among the students.

Students gathered at EC & IT building in a room number 218. A talk on Fundamental duties and Reading of the preamble to the Constitution by Prof. J. G. Parmar from Mechanical Engineering Department was organised. Significance of the Constitution Day and the importance of being a Sovereign, Socialist, Secular, Democratic and Republic country were talked about during the session. Such celebration reaffirms our faith in the philosophy and ideals given in the constitution. All the participants were informed to take pledge and attend quiz by online mode on government portal <http://readpreamble.nic.in> and <http://constitutionquiz.nic.in>.
