BHAVNAGAR

College Song

By Niren Bhatt

धड़कन की यह सदा है, हर दिल की यही पुकार है ।
हां हम दिल से कहते हैं, हमें अपनी कॉलेज से प्यार है । (२)

यह शहर से कितना भी दूर सही,
पर सबके दिलों से दूर नहीं ।
माना कि दुनिया में इतना मशहूर नहीं,
माना कि यह बहुत सताता है,
माना कि बहुत रुलाता है,
पर छोटे बच्चों से इंसान यही तो बनाता है ।

हम हैं यहां, किस्मत से है यहां,
गम भूलो, खुशियों का है समा, (२)
हमें आंचल में है समेटे,
ये ऐसा दिलदार है ।
हां हम दिल से कहते हैं, हमें अपनी कॉलेज से प्यार है ।

धड़कन की यह सदा है, हर दिल की यही पुकार है ।
हां हम दिल से कहते हैं, हमें अपनी कॉलेज से प्यार है ।

धूप में खूब चलाता है, शोलो में खूब जलाता है,
लेकिन ममता की छांव भरी गोद में, यही सुलाता है ।
पानी नहीं तो क्या हुआ प्यार हमें पिलाता है ।
बेगानी सी इस दुनिया में इज्जत यही दिलाता है ।
जिंदगी के लंबे इम्तिहान लेता है, कांटे भी देता है,
लेकिन फूल भी तो यही देता है ।

ये जहां में हमारी, दास्तान हो हमारी
महका दे कारवां जो वो सुबह हो हमारी, (२)
हम रहेंगे जहां, फूल खिलेंगे वहां,
हम चलेंगे जहां छोड़ेंगे अपना निशान ।
अरमानों की ये बस्ती, सपनों का संसार है ।
हां हम दिल से कहते हैं, हमें अपनी कॉलेज से प्यार है ।

धड़कन की यह सदा है, हर दिल की यही पुकार है ।
हां हम दिल से कहते हैं,
हमें अपनी कॉलेज से प्यार है । (३)

Vision

To become a leading engineering institute in the state, by developing excellent engineers capable of fulfilling needs of industry, society and nation at large.

Mission

- 1.To provide conducive academic environment motivating the aspiring engineers to achieve excellence
- 2.To impart ethics and core values in graduates
- 3.To promote contemporary infrastructure and external linkages

Words of Motivation

Dear members of SSEC family- students, faculty and staff,

Greetings and wishing everyone A Very Progressive and Fruitful Year 2023!

New Year comes with great hopes, aspirations and opportunities. Time is a great teacher- it helps to take lessons from past, shows path to the better future and guides and motivates for achieving the set goals. One who knows to utilize the time in the right way, always moves ahead faster. We have a lot to learn from the last period, where we have some fine achievements, successes and awards; at the same time there are areas and issues to be addressed and act upon to improve.

There has to be a leader in every teacher; the one to whom the students look upon when there is a challenge to be taken up and 'To Win' is the only goal. Time and again our faculty members have demonstrated this in various roles and student performance areas. They deserve complements, and at the same time are charged with the responsibility to hand hold with others to move forward in disseminating the spirit; it's important to have succession planning.

For the students, it is always important to learn from various inputs, mentoring from college teachers may not be the only one to be resorted to. There are ample opportunities around, especially with the initiatives of the government to make the youth self-employed and self-sufficient; and so it is essential to identify and pursue what one likes and is good at. Being aware and curious, developing problem solving aptitude, being flexible to changes and survive the failures are what needs to be built in the personality. You may have role models in the field of your choice, who may be the torchlight to show you the way further. Mostly all, including your parents, teachers and seniors may have one or more such role models, who might have played a pivotal role. I wish you get the right role model, who may lead you to your dreams.

Would like to conclude with: "It is a miracle that curiosity survives formal education." - Albert Einstein.

Best wishes!

Dr. M.G. Bhatt

Faculty Activities/Achievements

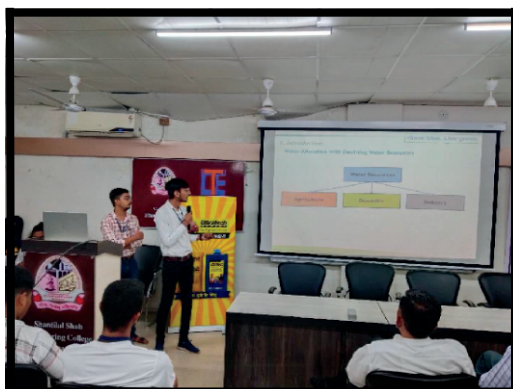

- Civil Engineering Department has organized the Teacher's Day celebration on 5th September which was coordinated by Prof. N.P. Soni.

- Civil Engineering Department had organized Engineers' Day event in association with UltraTech Cement Company. The event was coordinated by Prof. N. P. Soni.

The competition was conducted on following topics.

1. Advanced Construction Techniques
2. Optimization of Water Resources System
3. Solid Waste Management
4. Auto Clave Aerated Concrete
5. Self-Compacting Concrete
6. Building Information Modelling
7. Application of Software in Civil Engineering

Winner Participants-Semester of the Team	Topic for Presentation	Name of Team Leader
5	Building Information Modeling	Aman Kumar Singh
5	Building Information Modeling	Vala Harshdipsinh
7	Autoclaved Aerated Concrete	Charola Bhavesh Ganeshbhai
3	Application of Software in Civil Engineering	Dodiya Keyurbhai
3	Application of Software in Civil Engineering	Baldaniya Krunal Dhanjibhai
3	Solid Waste Management	Chudasama Krish
3	Application of Software in Civil Engineering	Parmar Abhay Rameshbhai
5	Optimization of Water Resource Systems	Gohil Vishvarajsinh Mahavirsinh

Chudasama Krish and his team won the first position in the event, Charola Bhavesh held the second position in the event and Gohil Vishvarajsinh and his team stood on the third position in the event.

- Prof. Jaydeepsinh Sarvaiya successfully submitted his thesis for doctoral studies in Gujarat Technological University, Ahmedabad on topic “Performance Enhancement of Power Distribution System with Optimization Strategy” in the month of July 2022.
- Prof. (Dr.) Ashok Parmar successfully completed his PhD from SVNIT, Surat on topic “Supply/Demand-side Resources Sizing and Management in Deregulated Power System: A Comparative Techno-economic Analysis” in the month of July 2022.

- **Site Visit**

A site visit was organized and coordinated by Prof. N. P. Soni & Prof. N. M. Joshipura for the student of B.E. Semester 3rd, at Silver Residency at Ring Road, Bhavnagar on 21/11/2022. Total 153 students visited. 6 bungalows were assigned for onsite measurements for their course activity of Building and Town Planning subject.

- Mechanical Engineering Department conducted industrial visits of Semester 5th students at the following industries in the Month of November, 2022.

(1) Shrinath Plastics, Ruvapari Road, Bhavnagar where students learned about Plastic Product Manufacturing Processes and Plastic Processing Machine types.

(2) Indo-German Tool Room, Chitra, Bhavnagar where students learned about CAD/CAM. 26 students participated in this visit.

(3) Jay Tech Engineering, G.I.D.C. Chitra, Bhavnagar where students learned about fabrication technology, and different welding processes. Total 26 students were benefitted with this visit.

(4) Priyal Industries, G.I.D.C., Chitra, Bhavnagar where students learned about different machine operations, jigs & fixtures, use of gauges, and operations performed on CNC Turner Machine. 12 students availed benefit of this visit.

- Students from BE Sem. 7th Mechanical along with two faculty members, Prof. N.Y. Parghi and Prof. V.N. Kalola visited the Gujarat State Electricity Corporation LTD Bhavnagar lignite-based thermal power station located at village Padva, Taluka Ghogha of Bhavnagar District in Gujarat on 18th October 2022 under the guidance of Head of the Department.

- Expert lecture on “Feasibility Assessment and Execution of Infrastructure Projects” was delivered by Prof. Y. P. Pathak, Assistant Professor at Government Engineering College, Bhavnagar on 29/7/2022

- Expert Lecture Delivered by Faculties of Civil Engineering Department at GEC, Bhavnagar

Sr No.	Name of Faculty	Title of Session	Date
1	Prof. P. S. Ramanuj	Road User Characteristics (for 5th semester)	5/8/2022
2	Prof. N. P. Soni	Basics of IPR, Patent & Design Filing (For all students)	29/7/2022

- Electrical Engineering Department of the Institute, in association with Vigyan Gurjari and National Digital Library of India (NDLI) organized an expert session on the theme of "Advancements in Hybrid Renewable Power Systems" on 8th Aug, 2022.

Dr. Siddharth Joshi, Asst. Professor at School of Technology, Pandit Deendayal Upadhyay Energy University (PDEU), Gandhinagar delivered this expert session to UG and PG students of Electrical Engineering, and faculty members. Dr. Joshi gave insights on recent advances in renewable power systems, and threw light on how renewable energy sources can be combined to make hybrid renewable power system

The session was compered by Mr. Dipanshu Kushwaha, 7th Semester student of Electrical Engineering. On behalf of the Department and the Institute, Prof. A. M. Upadhyay and Dr. Astik Dhandhia introduced and welcomed the expert at the Institute. Dr. Astik offered vote of thanks to the expert.

- PGVCL had organized an idea presentation/poster/model making competition on “Innovative Ideas on Energy Conservation”. The presentation and award ceremony were scheduled on 26th December 2022. The venue for event was Gujarat Energy Knowledge Centre, PGVCL, Chavdigate, Bhavnagar. Total six student participants of Electrical Department, Shantilal Shah Engineering College had participated in the event. Students participants from Electrical Department were Abhay Metra, Hardik Kandoliya, Rathva Pradip, Nakum Jay, Adarsh Bhatt, Dave Jay, Milan Solanki, Pramod Sahani, Deepanshu Kushwaha, Manan Oza, Dhrup Solanki. Prof. B. N. Vaidya, Prof. A. B. Parmar and Prof. J. B. Sarvaiya graced the occasion as a jury panel.

- Dr. D.N. Vaishnav delivered an Expert Talk on “Interview Skills” under UDISHA Vocational Training Workshop Series on 27/08/2022 at Government Arts College, Talaja, Bhavnagar.

- Dr. D.N. Vaishnav presented a paper titled “Sologamy: A Calibrated Choice of Self-partnering or Challenging the Society?” at 25th International Conference on “A Requiem for Theory! Eschatological Ruminations” organized by Forum on Contemporary Theory, Baroda in collaboration with The Department of English, Cotton University, Guwahati, Assam, & International Lincoln Centre for American Studies, Louisiana State University in Shreveport, USA on 20-23 December, 2022 at Don Bosco Institute, Guwahati, Assam.

Training and Placement

A Seminar on Essentials of GRE/TOEFL and IELTS Examination System: Preparation and Success

Training and Placement Cell of Shantilal Shah Engineering College, Bhavnagar organized a seminar on Essentials of GRE/TOEFL and IELTS Examination System: Preparation and Success on 16th Sep, 2022. Ms. Bhagyashree Vaswani, from ETS Global and DP Cube Learning enlightened a gathering of over 120 students seeking to explore the avenues of overseas studies. The session was very interactive with present students expressed their own hurdles and doubts, and the expert Ms. Bhagyashree addressed to each one of the questions with complete detailing. All in all, a very fruitful session for the students.

Industry-Institute Interaction Meet with CII

Institute participated in an Interactive meet with Mr. Darshan Shah, Managing Director of Hitachi HiRel Power Electronics Ltd. and Vice Chairman, CII Gujarat State Council CII on 1st July, 2022.

This meeting was intended to provide an opportunity to discuss the issues and the growth potent of the industries in Bhavnagar and how CII can help in facilitating further growth to local industries and how can academia contribute to that. The meeting provided an opportunity to network with representatives from local and regional industries and share thoughts on building mutually beneficial interactions.

College Activities at a Glance

Engineers' Day Celebration

Shantilal Shah Engineering College, Bhavnagar celebrated Engineers' Day at the institute on 15th Sep, 2022. A host of activities included presentations on emerging technologies in various domains by students, and a key note address by special guest, Mr. Nisheeth Mehta, Founder & CEO of Microsign Products. Mr. Mehta, a renowned and acclaimed name in promoting and employing large number of physically-challenged personnel for professional domain at his organization, gave very inspiring address to a gathering of over 140 students and faculty members. He talked at length about values of becoming a successful professional. His son and MD of the organization, Mr. Pathik Mehta- who also is an ex-international circuit table tennis player of repute also gave account of what modern day companies expect from budding engineers. Principal Dr. M.G. Bhatt wished the gathering a fruitful Engineer's Day, and asked present students to try and imbibe organizational values from the journey of successful entrepreneurs, like Mr. Nisheethbhai.

Students' Visit to IPR Exhibition

Institute for Plasma Research (IPR), Ahmedabad organized an exhibition of their projects and models during 19th & 20th July, 2022 at GEC, Bhavnagar. Institute students from SSEC from all branches visited the exhibition during these two-days, along with faculty co-ordinators from each department. Students hugely benefitted from conceptual understanding of generation of plasma and a demonstration thereof.

Farewell to SSEC Family Members

Year 2022, was a tough time for the Administration section of Shantilal Shah Engineering College as 5 staff members – teaching and office staff – retired between July to December, 2022. The institute faced an emotional and workload related crisis.

Sr No	Name of the staff	Designation	Date of Birth	Date of Joining	Date of Retirement
1	Shri V.R. Pandya	Peon	27/07/1962	20/07/1983	31/07/2022
2	Shri D.T. Doshi	Senior Clerk	20/08/1964	18/07/1987	31/08/2022
3	Shri M.H. Babariya	Machine Attendant	27/09/1962	03/02/1994	30/09/2022
4	Shri K.P. Makwana	Senior Clerk	21/11/1964	17/07/1992	30/11/2022
5	Prof. H.S. Trivedi	Professor (Applied Mechanics)	08/12/1960	01/09/1982	31/12/2022

Any institution works well with its skilled manpower and commitment towards the institute and the person who is retiring would have got a successful work style, knowledge of administration and skill to manage different types of tasks and relieving that colleague will be a loss to the institute.

The institute will always be ready to welcome back such sincere and committed staff members in the family and also wish their future days to be full of health and happiness.

Celebration of Constitution Day

Event Name

Celebration of 5th Constitution Day on 26th November, 2022

Event Date, Time and Location

22-11-2022, LRC building, SSEC, Bhavnagar

Brief Description of the Event

India is governed in terms of the constitution of India, which was adopted by the constitution Assembly on 26th November 1949 and came into force on 26th January, 1950.

The Constitution Day was celebrated at Shantilal Shah Engineering College, Bhavnagar on 26th November, 2022, to spread awareness about the Indian Constitution and to instill true democratic values among the students. Students of NSS unit gathered at LRC building and read the preamble, they also participated in online quiz on “India - The Mother of Democracy” organized by Ministry of Parliamentary Affairs through online portal. The NSS POs, Prof. P. H. Lakhani and Prof. N. P. Nirmal encouraged the students to complete participation quiz and download certificates.

A talk on Fundamental Duties to the Constitution was organized by Prof. N. P. Soni from Civil Engineering Department. Significance of the Constitution Day and the importance of being a Sovereign, Socialist, Secular, Democratic and Republic country were talked during the session and Prof. Soni explained the meaning of the Constitution, the Preamble, the Five-year Plan and the Directive Principle. More than 50 NSS volunteers attended the programme on Constitution Day.

Major Outcomes of the Event

The learners were made aware about the meaning of the Preamble of the Constitution.

This celebration helped us to reaffirm our faith in the philosophy and ideals given in the constitution.

Mini Project on Seed Ball

NSS Unit Name/College Name:

Shantilal Shah Engineering, College, Bhavnagar

Event Name:

Mini Project on Seed Ball on 15th July, 2022

Event Date, Time and Location:

15th July, 2022, 1:00 PM to 2:00 PM, SSEC Campus, Bhavnagar

Brief Description of the Event:

The Seed Ball project focuses on increasing green cover across India, especially cyclone or drought affected areas. The process involves making golf ball-sized mixture of soil, seeds and compost, and scattering it in suitable places for trees to grow.

Among many initiatives to improve green cover, making and distributing seed balls is a quicker and cost-effective method to reclaim the lost green cover of our environment. Hence, it is an emerging afforestation technique adopted worldwide, seed balls are most commonly used for ecological restoration.

The NSS Volunteers and other students of BE and ME participated in the event and prepared 100 seed balls and made plantation with them.

Major Outcomes of Event:

All the participants understood the value of environment and nature surrendered to them and make them safe.

Road Safety Awareness Program

NSS Unit Name/College Name:

Shantilal Shah Engineering College, Bhavnagar

Event Name:

Road Safety Awareness Program

Event Date, Time and Location:

09-06-2022 10:30 AM SSEC Campus, Bhavnagar

Brief Description of the Event:

With idea of spreading awareness for road safety, Shantilal Shah Engineering College, Bhavnagar and RTO, Bhavnagar had organized a programme on 9th June 2022 at Shantilal Shah Engineering College, Bhavnagar. We had invited a Traffic Education and Awareness Mobile vehicle in the campus from RTO Bhavnagar. Many of the students visited the mobile vehicle and had seen the presentation and video related to road safety awareness. Pamphlets related to different signs and symbol related to traffic were distributed among the students. Staff from RTO office had explained use of different signs on road while driving. Students enthusiastically interacted with the staff from RTO.

Major Outcomes of Event:

Staff from RTO office nicely explained the importance of traffic rules to be followed while driving.

Swachh Sagar Campaign

NSS Unit Name/College Name:

Shantilal Shah Engineering College, Bhavnagar

Event Name:

Swachh Sagar Campaign

Event Date, Time and Location:

9th September 2022 8:00 AM, Kuda seashore, Bhavnagar

Brief Description of the Event:

Hon'ble Minister of State, Ministry of Science and Technology, Government of India and by the Hon. Minister (Education Gujarat State) instructed to initiate "Swachh Sagar" campaign. Such campaign helps to aware the people about sea cleaning campaign, proper disposal of waste and creating awareness about marine cleanliness of costal area of Gujarat.

In connection with this swachh sagar campaign, a one-day program was organized by the NSS Unit of SSEC, Bhavnagar. In which we conducted swachhta drive on 9th September 2022 at Kuda Village Seashore. In which volunteers of our NSS Unit went to Kuda and cleaned the seashore by disposing plastic and other garbage from the seashore. Students informed and explained the people coming to the seashore about proper disposal of waste and marine cleanliness. A total of 32 student volunteers and 4 faculty members participated in this Swachh Sagar campaign.

Major Outcomes of Event:

Thousands of marine animals worldwide have been affected by plastic pollution, including sea turtles, seabirds, and marine mammals. Therefore, Beach clean-ups are vital to mitigate the problem caused by ocean debris and the danger that plastic pollution poses to marine life. Thus, volunteers were learned the necessity of clean sea.

Messages from Alumni

Sanjay Malani

1992 Batch - EC Engg.

Profession: Sr. Director Kosmos Energy
Dallas, TX, USA

My pleasure in connecting with SSECIans through this newsletter. It is still very fresh in my memory, the mixed feelings I was having, when I was entering my first year at SSECI. Looking back on the whole experience now, I would like my fellow SSECIans to recognize that all of us have to go through successes and failures but what matters most is how you face them. While you enjoy every success, make sure to learn from failures. Apart from taking courses, making friends, and gaining valuable experience at SSECI, remember to cultivate confidence, widen horizon and perspective and equip yourself to face any challenge life might throw at you.

Niren Bhatt

2000 Batch - Civil Engg.

Profession: Screenwriter and lyricists, written films Bhediya, Bala, Serious Men, Made in China, Ventilator, Wrong Side Raju and Bey Yaar. writer of web series Asur, Ray and Inside edge. writer of the popular TV show, Taarak Mehta Ka Ooltah Chashmah.

He has also written songs for over 30 films as a lyricist.

Hi folks at SSECI. I am the guy who has written THE college song on the first page of this magazine (and more than 30 film albums post that). I studied engineering at SSECI and (in)famously went on to become a screenwriter and lyricist in films. I am absolutely a wrong alumni to inspire students who are looking for the guy who got good grades and now is aspiration-ally placed somewhere in some big company. But I am the one who inspires to break boundaries. What I am because of my years at SSECI. It inspired me to dream big and chart my own path in the world. I wish each one of you best of luck, may you too break set norms and patterns. May you pursue passion, dreams and impossibilities.

And please keep a copy of this message and revisit it someday if I win an Oscar, which I am dreaming and working for!!!

Happy hustling !!
