"Mera Pehla Vote Desh ke Liye" is a youth-centric voter engagement campaign aimed at empowering and encouraging first-time voters to actively participate in the democratic process. The institute organized different campaigns during 2nd March to 7th March 2024.

This campaign included many activities like Interactive Workshops and Seminars, Special Screening of AV Content, Voter's Pledge Administration, Selfie Point, sharing of information material, Download Voter Helpline App.

The campaign aimed at emphasizing the significance of their first vote in shaping the future of the nation in young individuals aged 18 to 25.

More than 200 students were participated in the different activities under "Mera Pehla Vote Desh ke Liye".
