Event details:

The "Ideathon & DE presentation" event, organized by the Techno Club of Shantilal Shah Engineering College's IT Department in Bhavnagar, is a platform designed to foster creativity and innovation among students. Held in celebration of National Science Day on February 28, 2024, the event invited participants to showcase their entrepreneurial ideas and design engineering projects through PowerPoint presentations. With topics ranging from science innovation to startup business ideas, students were encouraged to delve into diverse areas of science and technology and DE projects. Through this event, participants not only demonstrated their knowledge and skills but also engaged in critical thinking and problem-solving. With support from the college, the Ideathon & DE presentation provided a stimulating environment for students to exchange ideas, learn from each other, and ultimately contribute to the advancement of science and technology.

The "Ideathon & DE presentation " event organized by the Techno Club, IT department at Shantilal Shah Engineering College's seminar hall was a well-structured and engaging activity. Here's a summary of the key details and the flow of the event.
