## Information Technology Department

**Open Mic Event organized by Creato Guild**

**For all students On**

**Date: 06/04/2024**

At Shantilal Shah Engineering College, Bhavnagar, the endeavour has always been providing all- round knowledge as well as enthusiasm to the students. In the same pretext, the institute hosted an Open Mic Event which was organized by Creado Guild community on 06 April, 2024 at seminar hall, admin building, college campus. It was held from 2:00pm to 5:30pm evening. All students from different departments came forward, took interest and willingly participated and also attended this event. The organizer of this event were the core team members of Creado Guild and were guided through community mentors Prof. Nikunj Nayak and Prof. Hardik Mehta.

Anchoring plays an important role in any event or a function and so as one of our core team members started this event by the play of anchoring. Play team mentor and trainer Prof. Alpesh Pandya sir also spoke about this event and all were in a graceful moment of joyful motion.

**Let Your  
Dreams be  
your anchor**

*Starting and anchoring of  
the event with our members  
and listening to alpesh sir's*

**Where Culture  
collides and  
creativity  
Ignites**

Several different programmes were held in this event from feeling the sense of music and the enchanted mixture of one's life stories inspiring the audience to the relieving satisfaction of poetry tales to the healing of stress and tension of instrument beats. Everyone was seemed to enjoy this precious and all were very proud to see their friends performing and igniting their inner compass. All tried their best to give out their maximum input of whatever skills they have. Here's a snapshot of all the participants performing their best in front of audience.

### *Our Enthusiastic Performers*

Through the way as it went, it happened to be a charming and a memorable event and the bright faces of enthusiasm at the face of audience and participants and audience. At the end a small session regarding how was the event and how it engaged and encouraged the students to join and come together in the event of non-technical activities were discussed.

It was very fruitful and a jubilation platform and everyone enjoyed it very nicely and very happily it intended to be a very memorable evening for all of us.
