ENGINEERS' DAY CELEBRATION

The Engineers' Day celebration at Shantilal Shah Government Engineering College on 13th September 2024 was nothing short of extraordinary. The event, filled with enthusiasm, creativity, and intellectual Vigor, commenced at 11:00 AM and lasted until 2:00 PM. The IT Department was abuzz with energy as students from 1st, 3rd, 5th, and 7th semesters actively participated in a series of engaging events that showcased their technical prowess, creativity, and innovative thinking.

Honoring the occasion with his presence, our respected Principal, Dr. G.P. Vadodaria Sir, visited the event to witness the passion and dedication of students. His support and encouragement elevated the spirit of the celebration, making the entire environment vibrant with ambition and joy.

The Engineers' Day celebration featured seven exciting events running parallel across different labs and classrooms, each designed to highlight a unique aspect of students' skills and interests. Details of the various events are as follows:

GROUP DISCUSSION:

In a stimulating and intellectually charged atmosphere, students engaged in Group Discussions, where they presented and debated on thought-provoking topics with 17 participants. Their eloquence, analytical skills, and ability to think critically were on full display as they defended their perspectives and countered arguments with logic and confidence. Each group was presented with a challenging and relevant topic, carefully selected to encourage participants to think beyond textbooks and apply their analytical and reasoning abilities.

QUIZ COMPETITION:

A thrilling Quiz Competition challenged the 150 participants' knowledge in various fields of technology, engineering, and general awareness. Teams competed fiercely, answering tricky questions with remarkable speed and accuracy.

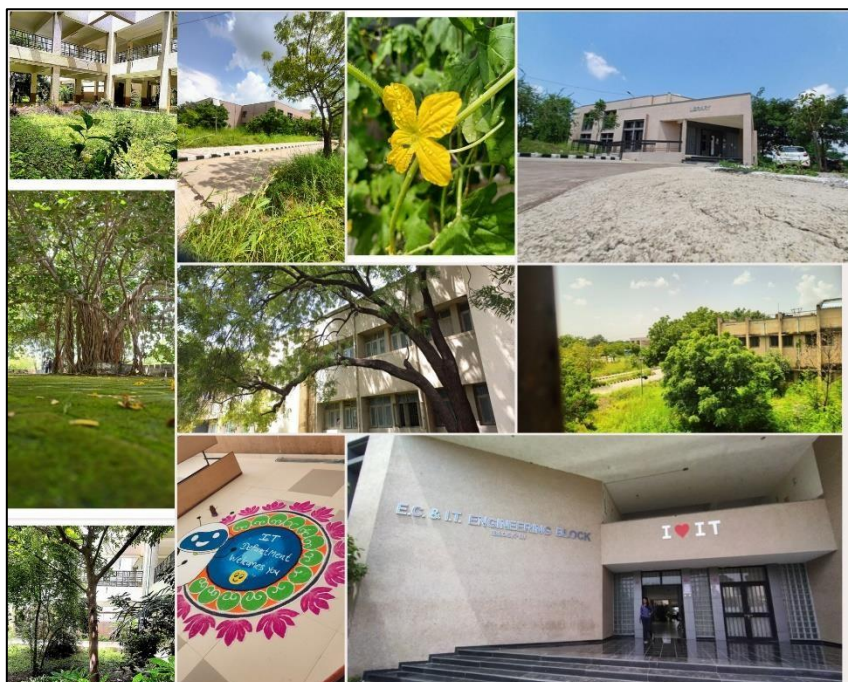

TECHNICAL AND POSTER DRAWING COMPETITION:

The walls of the IT Department were transformed into a canvas of innovation and artistry, thanks to the Poster and Technical Drawing competition with 19 participants. Some students showcased their creativity through hand-drawn sketches on paper, while others opted for digital platforms like Canva and Figma to bring their ideas to life. The themes ranged from social issues, political messages, and technological advancements to engineering marvels, truly reflecting the diverse interests and talent of IT students.

PHOTOGRAPHY CONTEST:

The Photography Competition was one of the most captivating events of the day, allowing students to showcase their talent for capturing moments that defined the essence of Engineers' Day. The event challenged 79 participants to use their creativity and technical skills to freeze moments of enthusiasm, teamwork, and celebration in a single frame. Students explored every corner of the college, seeking the perfect shots that highlighted the vibrant atmosphere, the energy of participants, and the passion of engineers in action. Some focused on candid moments, capturing students deep in discussion, presenting projects, or working on their designs, while others experimented with angles, lighting, and composition to create visually stunning images.

AD MAKING WITH SLOGAN COMPETITION:

The Ad Making with Slogan Competition was one of the most engaging and artistic events of Engineers' Day, allowing students to unleash their creativity, design skills, and marketing instincts. This event was a perfect blend of visual storytelling, innovation, and strategic communication, where 18 participants were challenged to design impactful digital advertisements along with compelling slogans. The goal of the competition was to simulate a real-world marketing challenge where participants had to conceptualize and design an advertisement for a product, service, or social cause.

PROJECT PRESENTATION COMPETITION:

The Project Presentation Competition was one of the most anticipated events of Engineers' Day, providing students with an exceptional platform to showcase their creativity, technical expertise, and problem-solving skills. There were 7 teams registered for demonstrating how engineering knowledge can be applied to the real-world challenges.

MY INNOVATIVE IDEAS COMPETITION:

In the My Innovative Ideas session, students got the opportunity to pitch startup concepts, research projects, and technological innovations. The groundbreaking ideas and well-structured presentations impressed the audience, demonstrating the problem-solving mindset and entrepreneurial spirit essential for future engineers. The 6 participants were registered for this event.

The celebrations ended on a high note with students capturing memories through group photographs, celebrating their hard work and achievements. The joy and excitement in the air were a testament to the immense effort and dedication put in by the organizing committee. The handwork also goes into the credit of our rangoli girls who did their best to create a rangoli based on the theme of engineer's day.

The Engineers' Day Celebration 2024 at Information Technology Department, Shantilal Shah Engineering College was a remarkable success, blending learning with fun, creativity with logic, and innovation with teamwork. The event not only strengthened the bond between students but also highlighted the true essence of engineering – problem-solving, creativity and vision for the future.

ENGINEER'S DAY EVENTWISE WINNERS LIST

ENGINEER'S DAY CELEBRATION + EVENTS WINNER

13/09/24

QUIZ

1	SOLANKI AGANA	210430116080	} WINNER - 1 st 2 nd 3 rd
2	DRAVID KANZARIA	210430116142	
3	DIPALI VIRANI	220430116030	

PROJECT PRESENTATION

1	CHAUHAN AMAN	230430116014	} WINNER - 1 st 2 nd 3 nd
2	SHIVANI DUBEY	41	
3	MUCHHADIVA RAMESH	230430116066	

AD MAKING WITH SLOGAN COMPETITION

1	VACHHANI NIBRA	139	} WINNER - 1 st 2 nd 3 nd
2	VADHER SWASTI.S.	140	
3	PADMA DEBRAT	220433116020	

POSTER AND TECHNICAL DRAWING

1	PATEL HARDIK	99	} WINNER - 1 st 2 nd 3 nd
2	DESAI KANCHI	63	
3	TANK KOMAL	73	

PHOTOGRAPHY COMPETITION

1	PRIYABEN PATIL	106	} WINNER - 1 st 2 nd 3 nd
2	FORAM PATIL	98	
3	DASH TALATI	130	

QUIZ COMPETITION

1	SHIVAM PATEL	(020) 6154	} WINNER - 1 st 2 nd 3 nd
2	ANSHAY CHAUHAN	18	
3	MBUT DASHI	210430116004
