**INFORMATION TECHNOLOGY DEPARTMENT**

**Report on Industry Visit**

**Date:** 21st March 2025

**Organized by:** IT Department - Shantilal Shah Engineering College, Bhavnagar

**Participants:** 2nd Year IT Students (34 Students)

**Industry:** Azziptech, Bhavnagar

**Faculty Visited with Students:** 1. Prof. S J Agravat    2. Prof. N. S. Sanghani

**Objective of the Visit**

The students had the opportunity to visit **Azziptech**, one of the leading IT company in Bhavnagar. The visit was organized to provide students with practical insights into the latest advancements in the IT industry and how modern technologies are being implemented in real-world projects. The objective was to bridge the gap between academic knowledge and industry practices, allowing students to understand how projects are conceptualized, developed, and delivered in an IT company along with how modern technologies are being implemented in real-world projects.

**Key Highlights of the Visit**

**1. Introduction to Company Operations**

The visit started with an introductory session where company representatives explained the vision, mission, and work culture of Azziptech. They provided an overview of their core services and how they contribute to the IT sector with their live Learning Management System (LMS) project being used by universities and colleges.

**2. Advanced Technologies Discussed**

The Expert at Azziptech conducted an interactive session where they explained various advanced technologies they are currently working on, including:

- Jira Tool
- React & Node JS
- Web and mobile application development frameworks
- Bitbucket
- Slag

**3. Career Guidance & Industry Expectations**

The session also included career guidance, where industry professionals provided insights into:

- Essential & problem solving skills required for IT graduates.
- How to enhance problem-solving and logical thinking abilities.

- Importance of internships and industry projects during academics.

#### 4. Q&A and Career Guidance

The session concluded with an interactive Q&A where students asked questions related to career opportunities, industry trends, and technical challenges in IT. The professionals at Azziptech shared valuable advice on skill development, certifications, and job prospects in emerging technologies.

#### Conclusion

The industrial visit to Azziptech was very informative and beneficial for students, as it provided exposure to real-world IT applications and industry best practices. The knowledge gained from this visit will undoubtedly help students in their academic and professional journey. We extend our gratitude to **Azziptech** for their warm hospitality and insightful session, making this visit a valuable learning experience.
