

# SHANTILAL SHAH ENGINEERING COLLEGE, BHAVNAGAR

## INFORMATION TECHNOLOGY DEPARTMENT

### Industry Visit Report

**Date:** 21<sup>st</sup> March 2025

**Organized by:** IT Department - Shantilal Shah Engineering College, Bhavnagar

**Participants:** 2<sup>nd</sup> Year IT Students (38 Students)

**Venue:** Milople Technologies Pvt. Ltd., Bhavnagar

**Faculty Visited with Students:** 1. Prof. S.S. Chauhan      2. Dr. D.B. Vaghela

### Objective of the Visit

The industry visit was organized to provide students with practical exposure to the software development life cycle (SDLC) and the real-world implementation of IT projects. The objective was to bridge the gap between academic knowledge and industry practices, allowing students to understand how projects are conceptualized, developed, and delivered in an IT company.

### Overview of the Visit

The visit commenced with a warm welcome by the representatives of MILOPLE Technologies Pvt. Ltd. The students were introduced to the company's work culture, ongoing projects, and the role of software engineers in the industry. The developers present explained their roles and responsibilities within their company to the students. They also have introduced the working of server in their company.

### Key Learnings from the Visit

#### 1. Software Development Life Cycle (SDLC)

The industrial experts provided insights into different phases of SDLC, including:

- **Requirement Gathering:** How projects are initiated and how client requirements are documented.
- **Planning and Design:** The architectural planning of software systems.
- **Development:** Programming, coding standards, and best practices followed in the industry.
- **Testing:** Ensuring quality and security of software applications.
- **Deployment and Maintenance:** How software is deployed and updated based on user feedback.
- **Marketing:** The marketing team of the company has explained their role in the industry and how they approach to the clients.

#### 2. Live Project Demonstrations

Students observed the structure of real-world applications. The professionals demonstrated live projects to students, explaining how they were conceptualized, developed, and managed effectively. They also reviewed Software Requirement Specification (SRS) documents and understood how documentation plays a crucial role in software development.

### 3. Technologies Discussed

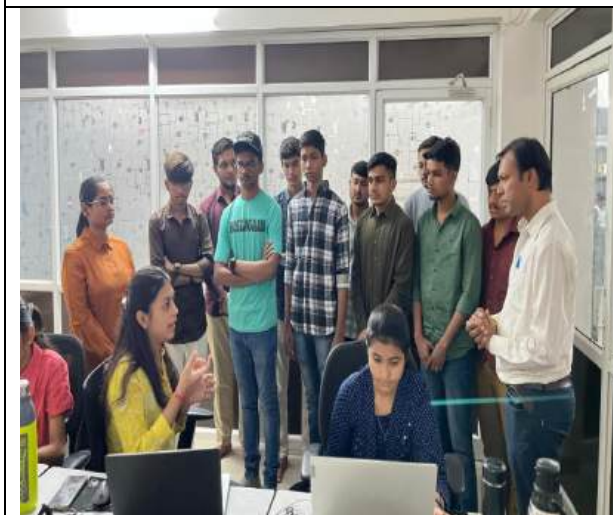

The industry experts introduced students to various modern technologies used in IT companies, including:

- Web and mobile application development frameworks
- Wordpress
- Magento framework
- JavaScript (J)

### 4. Career Guidance & Industry Expectations

The session also included career guidance, where industry professionals provided insights into:

- Essential skills required for IT graduates.
- How to enhance problem-solving and logical thinking abilities.
- Importance of internships and industry projects during academics.
- Resume building, networking, and job interview preparation.

## Interactive Q&A Session

An engaging question-and-answer session followed, where students asked insightful questions about career growth, industry expectations, and emerging technologies. The professionals answered their queries and provided valuable suggestions on how to prepare for a successful career in IT.

### Conclusion:

This industry visit was a highly beneficial experience for the students, providing them with valuable insights into the software industry. It helped them to understand the real-world applications of their academic studies and inspired them to enhance their technical skills. The interaction with industry experts motivated the students to focus on continuous learning and adaptation of new technologies. The visit successfully achieved its objective of bridging the gap between theoretical knowledge and industrial applications, making it a great learning opportunity for the students.

**Subject:** Request for Permission to Organize an Industrial visit for 2<sup>nd</sup> Year IT Students to visit Milople Technologies Pvt. Ltd., Bhavnagar on 21/03/2025.

Respected Sir/Madam,

I, **Dr. G. P. Vadodaria**, Principal of **Shantilal Shah Engineering College, Bhavnagar**, am writing to kindly request your permission to organize an Industrial visit to the **Milople Technologies Pvt. Ltd., Bhavnagar** for our 2<sup>nd</sup> Year IT students. The visit aims to provide students with a practical learning experience and a deeper understanding of concepts through the interactive exhibits at your esteemed center. The visit is proposed to take place on **21/03/2025** with approximately 40 students.

**Prof. S. S. Chauhan** and **Dr. D. B. Vaghela** will coordinate the visit from the Information Technology department, who will accompany and guide the students throughout the tour. This visit is expected to significantly enhance the students' academic knowledge and interest in telecom industries.

We kindly request your approval for the visit and would be grateful for your support. Please let us know if any further formalities or information is required to facilitate the arrangements. Thank you for your consideration.

Yours sincerely,

Dr. G. P. Vadodaria  
Principal,  
Shantilal Shah Engineering  
College, Bhavnagar.
