**Organized By:** IT Department – SSEC Bhavnagar

**Participants:** B.E all year students

**Venue:** IT Department

**Co-ordinator:** 1. Prof. B. K. Borisaniya      2. Prof. N. S. Sanghani      3. Prof. N. B. Nayak

#### Objective of the Event

The main objective of celebrating Teacher's Day in the Department is to:

1. **Express Gratitude:** Show appreciation to teachers for their dedication, mentorship, and contribution to students' academic and professional growth.
2. **Acknowledge Contributions:** Recognize the role of educators in shaping students' technical knowledge, problem-solving skills, and career development in IT.
3. **Strengthen Student-Teacher Bond:** Foster a positive and respectful relationship between students and faculty, encouraging an open learning environment.
4. **Promote Lifelong Learning:** Inspire both students and teachers to continue upgrading their knowledge in IT, given the rapidly evolving technology landscape.
5. **Encourage Innovation & Research:** Highlight the importance of research, innovation, and emerging trends in IT, motivating teachers to guide students toward technological advancements.
6. **Create a Motivational Environment:** Provide a platform for students to express their experiences and appreciation, boosting the morale of faculty members.
7. **Enhance Communication & Collaboration:** Encourage teamwork and interaction through activities, speeches, and discussions on advancements in IT education.
8. **Celebrate the Teaching Profession:** Honor the teaching profession as an integral part of nation-building, especially in a field like IT that drives global technological progress.

#### Overview of the Event

The Teacher's Day celebration in the IT Engineering Department is a special occasion to honor and appreciate the invaluable contributions of faculty members in shaping students' academic and professional growth. The event is organized by students with enthusiastic participation from faculty members, creating a joyful and respectful atmosphere. On Teacher's Day, students took full responsibility for managing the timetable and excelled in conducting all teaching and learning activities. Throughout the event, faculty members moved around for evaluation while students efficiently managed their classes. All students thoroughly enjoyed the celebration and highly appreciated such events in the department.

## Event Highlights:

### 1. Welcoming Ceremony:

- The event begins with a warm welcome to faculty members.
- Traditional lamp lighting and a short speech on the significance of Teacher's Day.

### 2. Inspirational Speeches:

- Students deliver heartfelt speeches expressing gratitude and sharing their experiences.
- Faculty members may share insights about their teaching journey and experiences in the IT field.

### 3. Felicitation of Teachers:

- Teachers are honored with small tokens of appreciation with handmade cards.
- Students delivered speeches highlighting the skills and contributions of each faculty member.

### 4. Interactive Fun Activities:

- **Quiz or Games:** Fun IT-related quizzes and memory games has been conducted for the students during the class engagement.
- **Role Reversal:** Students take up the role of teachers and conduct a short session, making learning fun.

### 5. Tech Talks & Experience Sharing:

- Teachers share their experiences, industry insights, and upcoming trends in IT.

### 6. Vote of Thanks & Closing Ceremony:

- A final note of appreciation by student representatives or department heads.
- Group photos and an informal interaction session over refreshments.
- All students who actively participated were felicitated with small gifts and certificate.
- Final-year student Rucha Purohit secured first place in the Teacher's Day celebration event organized by the department.

## Conclusion

The celebration is a heartfelt tribute to the mentors who guide students in their academic and professional journeys. It strengthens the student-teacher bond and fosters a positive learning environment in the IT Engineering Department.
