Abhyudaya 2025

Introduction

On the occasion of *Abhyudaya 2025*, the Information Technology Department of Shantilal Shah Engineering College, Bhavnagar, organized a series of exciting and intellectually stimulating events on **23rd April 2025**.

The events aimed to foster creativity, enhance technical skills, and encourage teamwork among students.

With enthusiastic participation from across all semesters, the events included **Speed coding, Digital Poster Making, Quiz Competition, and Treasure Hunt**.

Each event was carefully designed to challenge and engage students in different domains such as problem-solving, creativity, logical reasoning, design, and teamwork.

Faculty members, event coordinators, and volunteers worked together seamlessly to ensure smooth execution and vibrant participation, making Abhyudaya 2025 a grand success.

1. Speed Coding

- **Event Name:** Speed Coding
- **Event Date:** 23 April 2025
- **Event Time:** 10:45 AM - 12:45 PM
- **Faculties Incharge:** H. H. Mehta, N. B. Nayak, K. V. Patel, V. D. Parmar
- **Event Coordinators:** Darshan Kanani, Urvi Jamod

Introduction

The Speed Coding event, conducted under Abhyudaya 2025 by the Information Technology Department, was a competitive programming challenge designed to assess participants' logical thinking, coding skills, and problem-solving efficiency.

Participants faced 10 questions based on C language, covering fundamental and intermediate concepts such as functions, pointers, arrays, loops, and recursion.

Questions were categorized by difficulty:

- Easy: 5 questions (3 points each)
- Medium: 3 questions (5 points each)
- Hard: 2 questions (10 points each)

The total achievable score was 50 points. Participants were restricted from internet usage and could only use C or C++ languages.

A minimum of 10 points was necessary to earn a participation certificate. The top three scorers were declared winners.

The event witnessed active participation, encouraging students to enhance their programming logic, time management, and coding proficiency under pressure.

2. Digital Poster Making

- **Event Name:** Digital Poster Making
- **Event Date:** 23 April 2025
- **Event Time:** 10:45 AM – 12:45 PM
- **Faculties Incharge:** D. B. Vaghela, B. K. Borisaniya, S. S. Chauhan
- **Event Coordinators:** Shyara Vaidehi, Ravaliya Neha

Introduction

The Digital Poster Making event, organized as part of Abhyudaya 2025, encouraged students to showcase their **creativity** and **digital design skills** using tools like **Canva** and **Figma**.

Participants were required to create posters on topics provided on the spot, emphasizing **visual communication** and **conceptual clarity**.

Important rules included:

- Solo participation only (no teams).
- 1-hour time limit for poster creation.
- Submission in **PNG** or **JPG** format.
- Strict originality; plagiarism led to disqualification.

The judging criteria focused on:

- Creativity and originality
- Visual appeal and aesthetics
- Relevance to the theme
- Message clarity and impact

The event promoted students' artistic abilities and encouraged quick thinking, design proficiency, and effective use of digital tools.

3. Quiz Competition

- **Event Name:** Quiz Competition
- **Event Date:** 23 April 2025
- **Event Time:** 1:15 PM – 3:15 PM
- **Faculties Incharge:** N. S. Sanghani, S. J. Agravat, D. D. Sanghani
- **Event Coordinators:** Vishva Meghanathi, Krishna Parekh

Introduction

The Quiz Competition, organized under Abhyudaya 2025, was a high-energy intellectual contest designed to test students' knowledge in areas like **aptitude, logical reasoning, English grammar, and basic computer awareness.**

The competition was conducted in three rounds:

- **Easy:** 45 questions (20 minutes)
- **Medium:** 30 questions (15 minutes)
- **Hard:** 12 questions (8 minutes)

Participants were scored out of a total of **4800 points**. A minimum score was required for participation certificates, and the **top three scorers** were recognized as winners.

The event emphasized quick thinking, knowledge application, and effective time management under pressure, receiving enthusiastic participation from students across different semesters.

4. Treasure Hunt

- **Event Name:** Treasure Hunt
- **Event Date:** 23 April 2025
- **Event Time:** 3:00 PM – 5:00 PM
- **Faculties Incharge:** Prof. C. H. Makwana, Prof. A. D. Meniya, Prof. P. M. Chauhan
- **Event Coordinators:** Hiteshriba Rana, Jay Dudharejiya

Introduction

The Treasure Hunt event, one of the highlights of Abhyudaya 2025, was an exciting and intellectually stimulating activity organized by the Information Technology Department.

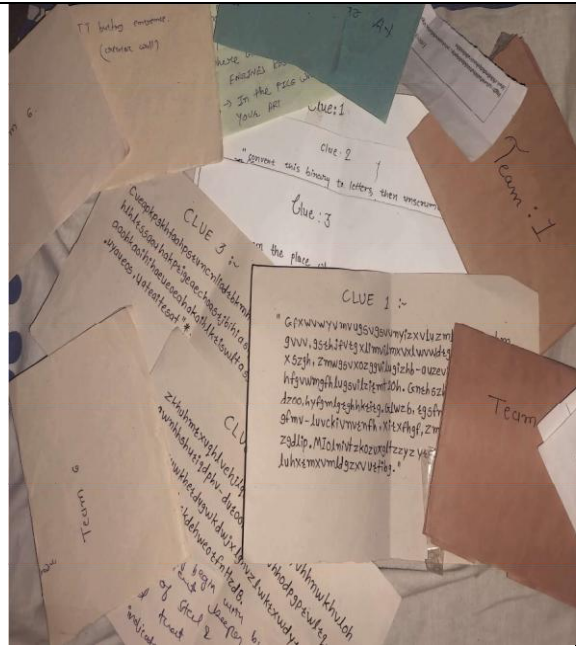

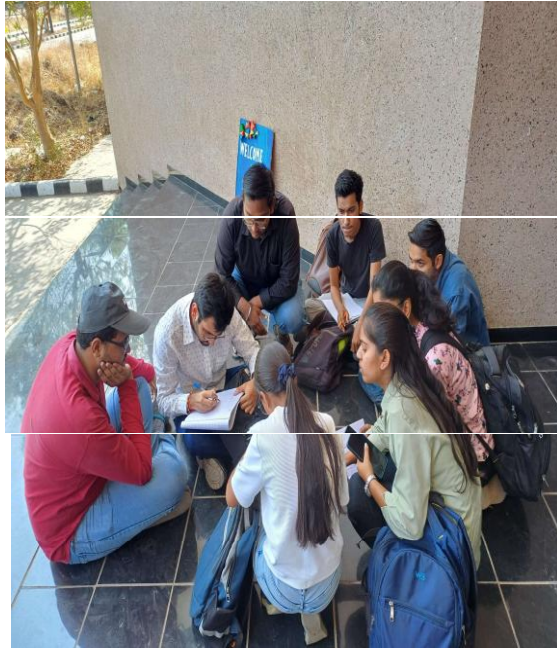

Participants, grouped into teams, followed a trail of cleverly designed clues based on **logic, riddles, ciphers** (like Caesar Cipher), and **general knowledge**. Each solved clue led teams closer to the hidden treasure.

The event tested:

- Analytical reasoning
- Code-breaking skills
- Attention to detail
- Team collaboration and strategy

Strict rules were enforced—no mobile phone usage or external help was allowed. The team that completed the hunt in the shortest time was declared the winner.

With **97 participants** and **16 volunteers**, the event created a lively and competitive environment.
