**“Learn Github”**

**On Date : 08-04-2026**

**At Room no. 203, IT Department**

**Coordinator : Dr. Dinesh B. Vaghela and team**

## Event Details

On behalf of the Techno Club, IT department of Shantilal Shah Engineering College, Bhavnagar, One-Day Workshop on “Git & Github” was organized under guidance of Head of the department Dr. Dhaval Varia sir with the objective of introducing students to version control systems and collaborative software development practices.

Total **225** students of all semesters were joined in the workshop

Duration : 1 day

The session was conducted by a 6th semester student **Aman Chauhan**, who shared practical insights and hands-on experience with Git and Github.

The workshop began with an introduction to version control and its importance in modern software development. Students were introduced to Git. The speaker explained basic Git concepts such as repositories, commits, branches, and merging.

Following this, the session moved to GitHub, a cloud-based platform that hosts Git repositories and enables collaboration among developers. The instructor demonstrated how to create a repository, clone it to a local system, and push code to GitHub. Students also learned how to pull updates from a repository and resolve merge conflicts.

The workshop also covered advanced topics like branching strategies, pull requests, and collaboration workflows.
