Industrial Visit @ M/s Steelcast Ltd., Bhavnagar

An industrial visit was organized on 05/07/2018 at M/s Steelcast Pvt. Ltd., Bhavnagar for the students of semester VII of Production Engineering. 50 students participated in the event. Plant tour was followed by the expert session of achieving Six Sigma. The students correlated the theoretical measures and industry measures by knowledge mapping. We are grateful to the Principal of our college and the director of M/s Steelcast Pvt. Ltd, Bhavnagar to allow for organizing the visit and thankful to Head of the Production Engineering Department to motivate the students to take part. Following are some photographs of the visit.
