Opportunity at Invixium Access for B.E. & M. E. (EC/IT) students from 2022- passing out batch of SSEC, Bhavnagar

Invixium Access is actively recruiting fresh graduates of 2022 for their Engineering team.

Headquartered in Toronto, Canada with an Engineering & Development Centre in India, Invixium manufactures biometric security solutions utilizing face, fingerprint and finger vein authentication technology for access control, workforce management and smart building automation. Our fully integrated hardware, software and mobile solutions provide meaningful analytics to enterprises and industries for increased health, safety, productivity, and security. With 1000s of products sold worldwide and deployments at major enterprises and industries across a broad spectrum of markets, Invixium strives to provide industry-leading biometric solutions that are not only visually stunning, but also intuitive for ease of use and install. They have a team of 70+ employees, all of whom have unbelievable stories of passion, grit, living on the edge and a ridiculously positive attitude. Visit www.invixium.com for more details.

Invixium Ahmedabad is exclusively hiring for BE/ME (EC, CE, IT), MCA and M.Sc. (IT) graduates of 2022.

Following are the positions that we intend to fill in immediately:

- Embedded Software Developer
- Android Developer
- Software Developer
- QA Engineer

Candidates who perform exceptionally well during our interview process will get an opportunity to join our unique training program. This program will train you on trending technologies and will open the door to an exciting career in the field of IT/Security.

To streamline the process for prospective candidates, Company have created an online application form. You are advised to fill the form with care and ensure that all your responses against each question is correct.

The link to the application form is here: <https://forms.office.com/r/BMRV8UcdeY>.

If you are shortlisted, you will be contacted by Invixium HR to schedule your interview.

If you have a resume, do send it to the attention of our HR team at talent@invixium.com.
