Placement opportunity at FrenusTech, Bengaluru for B. E. (EC) 2021 pass-outs and M.E. (EC) 2022 pass-outs from SSEC, Bhavnagar

FrenusTech is one of the fastest-growing and stability-oriented Semiconductor design services companies in Bangalore.

We have a strong client base in India, US, Taiwan, and growing into other geographies.

We started in April 2017 and have a team of 130+ engineers working across domains of VLSI & Embedded systems.

We have been growing at 40% - 50% year on year over the last 4 years including the period of Covid-19.

We currently focus on end-to-end IC Design Services for IoT, Mobile, NextGen Automobile technologies.

We provide solutions to building System On Chips involving both Digital & Analog design.

Our core leadership team brings in vast expertise from various domains of VLSI design:

- Digital Design, Verification, and Physical Design (P & R)
- Analog & Mixed-Signal - Design, Layout, and Verification
- Foundation IPs- IOs, Memories, and Standard Cells

We are conducting the campus drive in virtual mode which will be held on 11th June 2022 (Saturday) at 10:30am.
