GUJARAT INDUSTRIAL HACKATHON 2018-19

Dear students,

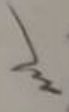

Honorable Chief Minister, Shri Vijay Bhai Rupani has launched Gujarat Industrial Hackathon 2018-19 on 10th September 2018. In this program participating teams will work to solve challenges given by industries, MSMEs, PSUs and corporates. By now 159 industries have shared around 250 challenges from 21 districts of Gujarat

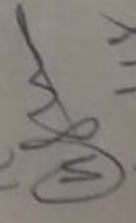

List of problems are available on SSIP website
http://ssipgujarat.in/gih/problem_statement.php

You can form teams and register on the portal at <http://ssipgujarat.in/> by **20th September 2018**.

Once your team register, you can choose a particular problem definition by 5th October 2018 and submit online about the problem definition on which you wish to develop their solution in next few months.

Detailed timeline and necessary information of programs related with the hackathon is also available on above website.
