Notice for Semester-IV Students

(CIVIL ENGINEERING)

NUM. & STAT. METHODS FOR CIVIL ENGINEERING (2140606)

All the Students of BE Sem-4 here by are informed that to prepare PPT for the subject NUM. & STAT. METHODS FOR CIVIL(2140606) of given following topics as per GTU guideline. For more information Contact to Maths Faculty in LRC-104 **.**

Branch	Batch No. (Each batch divide into four groups)	Allotted Topic
CIVIL SEM-IV	A-1	Finite Difference and Interpolation
	A-2	Numerical Integrations
	A-3	Soln of Linear equation and Roots of Algebric and Transedental Equations.
	B-1	Numerical solution of ODE.
	B-2	Finite Difference and Interpolation
	B-3	Numerical Integrations

Submit your power point presentation by email id :

ssgec.maths@gmail.com

Write Subject in mail as : <Name of Branch><Batch><Sem-4(2016)><Name of Topic ppt.>

e.g. Civil Batch-3 gp1 Sem-4(2019) Numerical Integrations

Note:
1.Last Date for Submit ppt by mail: 05/04/2019
2. Each batch divide into four groups(gp1,gp2,gp3,gp4)
.
