

Circular:

Preamble:

The department has few subjects which require guide as per GTU norms. Such subjects are Design Engineering 1 in Second year, Design engineering 2 in Third Year, Project in fourth year BE and Dissertation in Final year ME.

Students have been given liberty to choose appropriate projects and also approach / select guides. Majority of the students could follow the procedure. Faculty also accept students' request for guide ship and guide them for the respective project/design/dissertation.

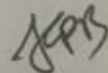

However, few students are unable to select projects/guides. Under such conditions they approach the department for allocation of project / guides.

Order:

A department level committee, with following faculty members, is constituted to allocate guide to such students.

1. Prof B N Vaidya
2. Prof V B Pandya
3. A faculty coordinator of respective portfolio (Design/project/dissertation)

Upon allocation of guide, students are required to consult the guide and do the projects as per the instructions of the guide.
