

Notice for Mid-Term Evaluation of B.E. Sem VIII Civil Engineering Students

Dear Faculty Members and Students,

The faculty members of the Applied Mechanics Department are required to conduct the mid-term evaluation of the interneers (the students of Bachelor of Engineering (B.E.) Sem VIII Civil Engineering- Div.-B) as per the university guidelines. The mid-term evaluation aims to assess the progress and performance of the interneers in their respective projects and provide feedback and guidance for improvement. The interneers are expected to present their work in offline mode, following the format and criteria specified in the university guidelines. The presentation should not exceed 15 minutes, followed by a 5-minute question and answer session.

The schedule of the mid-term evaluation is as follows:

Sr. No.	Date	Time
1	11- 12 March-2024	11:30 am to 1:30pm
2	14-16 March-2024	11:30 am to 1:30pm

The venue for the mid-term evaluation is the Computer Lab (Room no. 139) of the Applied Mechanics Department.

Please note that the mid-term evaluation is a mandatory and important component of the internship programme and the final grade. Therefore, all the interneers are requested to prepare well and attend the evaluation on time.

Date: 05 March 2024.

Sincerely,

Dr. M. V. Bhatti
Head of Department,
Applied Mechanics,
Shantilal Shah Engineering College,
Bhavnagar.
