Welcome Message from Principal...

It gives me immense pleasure to welcome the first year students who are joining their U.G. studies in various branches of engineering at Shantilal Shah Engineering College, Bhavnagar. At the outset, I would like to congratulate the students for their hard work and meritorious performance in std. 12th to be able to secure admissions in engineering.

You have chosen a challenging path that would require a lot of hard work and sustained efforts for achieving highest career goals you have set up for yourself, of becoming a successful professional. In this academic journey that takes you towards your goals, you will need to develop yourself intellectually, morally, and be a problem solver. Your extra efforts can make you accomplish more than you think you can. The first year of college is most important, it will shape your future to a great extent, and hence it is very important that you are dedicated to the academic requirements to build your future.

Your college, which is more than 30 years old institution, has rich legacy of shaping and nurturing of students for their all-round development. It has a rich and hugely successful alumni-base, who are contributing to the development of the society, nationally and internationally. The departments are well organized having well developed academic facilities including laboratories, workshop and library. Highly qualified, well experienced faculty members are amongst the best in the state, selected through the toughest faculty selection process in the state. The college follows syllabi of Gujarat Technological University at its best to impart the engineering knowledge and skills to the students.

Curricular and co-curricular activities are also part of campus life. The college is having a bright track record of technical, sports and cultural events' organization, wherein students have established milestones of superb performance up to national level.

In all, your college provides an excellent academic environment, opportunities to excel in technical, cultural, sports and societal activities, which shall develop you as an intellectual engineering professional and sensible and responsible citizen; I am sure collectively we will achieve these.

Wishing you all a very fulfilling academic journey at SSEC.....

Dr. M. G. Bhatt
Principal

INSTITUTE PROFILE

BACKGROUND

Shantilal Shah Engineering College is the third largest Government Engineering College under the Commissioner of Technical Education, Gujarat State. It was started in June 1983 as a part of expansion of technical education program, with an intake of 30 seats each in Civil and Mechanical Engineering courses. With the generous donation by late Shri Shantilal M. Shah, the College was renamed as Shantilal Shah Engineering College, 1984-85 onwards. Subsequently, the disciplines of Instrumentation and Control, Electronics and Communication, Production, Information Technology and Electrical Engineering were added. Simultaneously, Post Diploma Degree Courses in Civil and Mechanical Engineering provide opportunity to those who are serving after completion of their Diploma studies. PG programs are offered in Civil Engineering, Information Technology, Electrical Engineering and Electronics & Communication Engineering since 2010-11.

INFRASTRUCTURE

The academic facilities of the College are organized in eight buildings which include four Academic Buildings, one Administration Building, one Learning Resources Utilization Center (LRUC) building, Library building, and Workshop. There are four hostel blocks. A green campus, having more than five hundred trees, is spread in 80 acres of land, providing vast space for sports, recreation and cultural activities. Administrative Building (Block A) houses The Principal's Office, Students Section including GTU Coordinator's Office, Students Stores, Training and Placement Cell, Accounts office and Administrative Branch.

The Academic Departments are located as under:

Civil Engineering:	Civil Engineering Building
Mechanical Engineering:	Electrical and Mechanical Engg. Building
Instrumentation and Control Engineering:	Main Building
Information Technology:	EC and IT Building
Electrical Engineering:	Electrical and Mechanical Engg. Building
Applied Mechanics Department:	Main Building
General Department:	Main and LRC Building

100 MBPS internet lease line facility is available on the Campus to enhance e-learning process. High-tech computerized learning system and full campus video surveillance are also part of facilities available on the Campus.

TRANSPORTATION

The College is situated at a distance of about 12kms from Bhavnagar City, 2 kms from Sidsar village and 3.5 kms from Budhel Village. Good frequency of Auto Rickshaws ply from Sanskar Mandal, Talaja Octroi Naka, Sidsar and other places from the city. Regular ST Bus services are available for Sidsar and Budhel village from Bhavnagar.

STUDENTS AND ACADEMICS

The student intake is 720 for UG and 72 for PG programs. The Institute has total strength of about 3650 full time and 75 Part time students. Students come from all over Gujarat and some from other States. The students are required to be punctual and regular in their studies. During the regular course of studies and especially in the final year projects, students make extensive use of all resource available at the institute, visit industries for survey, data acquisition etc. whenever required. It gives an opportunity to develop innovative and problem solving skills. To provide practical exposure, frequent visits to industries, power stations, construction sites, dams and field locations are organized, relevant to respective curriculum.

For the meritorious students in all the seven branches, Investment & Precision Castings Limited, a famous industrial house of Bhavnagar, has sponsored Gold Medals, which are given away every year.

FACULTY

Every department has the best faculty members in the State. All faculty members possess Master Degree in respective branch of engineering/science, many of them have earned Ph.D. from reputed institutes like IIT, IISc, PDPU, Saurashtra University and like. The faculty members are having rich experience in the subjects which helps students for their Projects. Faculties are actively involved in research and having strong liaison with industries. They are trained in teaching methodology as well as advance topics in their area of interest. Although the primary commitment of the faculty members is to impart education, many of them make contribution toward development of syllabi, and various other committees of GTU and other organizations.

LIBRARY

College is having one of the richest libraries in technical education set up. It is having more than 25000 books and 10,000 titles and a functional 'e-library'. Technical and other magazines are available to improve the awareness and enrich the knowledge. Students should contact library for further details for membership facilities. The lectures on various subject content delivered by experts are available as NPTEL and BISAG lecture series online in library, a soft copy may be provided on demand.

HOSTEL

College is having a capacity of four hundred students in four blocks of Boys Hostel. Healthy and hygienic food is being served in hostel mess at affordable rate, which is managed by students committee. Facilities for outdoor and indoor games are available for the hostel residents. It is compulsory for residents to observe hostel rules. Primary medical care is also available in the hostel.

STUDENT CONSUMER STORE

Student Consumer Store functions to the day to day requirements of stationary, tools and instruments, drawing material etc. at no profit, no loss basis. Facility of printing, photocopying and downloading from internet is also available.

CANTEEN

Canteen facility is available in Main building, which is a destination to relax from your academics and keeps you energized for the day long work. It serves Tea, Coffee, Cold drinks, fresh snacks and packaged refreshments throughout the day. It is expected from all to see that the place remains clean.

CO-CURRICULAR ACTIVITIES

Students are provided ample opportunities to develop their talents through various co-curricular activities. One can participate in sports and cultural activities like debating, quiz, essay writing, dance, drama, singing, fine arts etc. Students actively participate in technical, sports and cultural activities organized by GTU and other institutions and have performed award winning acts. Celebration of National Days, organization of Open House, Annual Day, Tech-fest and Sports week are regular events at the Campus.

NSS ACTIVITIES

The overall aim of National Service Scheme (NSS) is to orient the young students to community service while they are at campus. The volunteers of the NSS Unit are exposed to social and community service through campus development work, celebration of various National days, social awareness program, watershed management, tree plantation, blood donation and many such activities. Every year about 150 volunteers are registered under NSS.

PLACEMENT

The Training and Placement Cell takes care of the future of the students after completion of their graduation. It works to create awareness amongst students for various opportunities such as job placement, self employment (entrepreneurship) and further studies. Diverse activities like expert lectures, finishing schools, interview preparation, and guidance for preparation for competitive examinations are organized with the help of experts across the state and active participation of the students. The Cell arranges for placement of students, field/ industrial training, visits and students' services in Local events of CII. All efforts are made to arrange Campus Interviews of various leading industries for finding suitable placements for the students. Companies like Reliance, e-infochips, Ferromatik Milacron, Indian Army, I&PCL are a few to regularly visit the campus for recruitment drive.

ANTI-RAGGING COMMITTEE

Ragging of students is totally banned and any one found guilty of ragging or abetting ragging is liable to be punished as per directives of Honorable Supreme Court of India. For prevention and prohibition of ragging a committee of all levels of staff members is constituted. Students can approach the members of committee in case of any assistance in the matter.

DISCIPLINE

Discipline is mandatory. Every student admitted to the College shall have to give an undertaking at the time of joining that he/she shall abide by the College and Hostel rules, for hostel residents, and agree to the regulation from time to time. He/she will do nothing either inside or outside the College that will interfere with its orderly governance and discipline.

ACHIEVEMENTS OF STUDENTS

Students of the Institute have shown their talent in the field of Academics, Technical knowledge, sports and cultural activities. Our students have secured position in Top 10 in GTU from last three years consecutively. Our students have won prizes at State and National level Hackathone. Boys and Girls team of Kho-Kho have won Championship of GTU in 2015. Our Youth Festival Team has won Runners up title in Ahmedabad Zone for consecutive last three years and this is the only Government College to secure position in top 3 in GTU. Our students have represented GTU at West Zone and National levels and have secured prizes for the same.
