

Report of seminar on “Women Self-Defence”

Date: 14-03-2022

Time : 3 pm onwards

Venue: Seminar Hall , Admin Building, SSEC

1. Introduction:

A seminar on “Women Self-Defence” was arranged regarding the awareness of self-defence for lady faculties and girls students on 14th March, 3 pm onwards at Shantilal Shah Engineering College, Bhavnagar.

All female faculty members, staff and girls students from all branches attended the program. Our respected principal Dr. M.G.Bhatt sir was also present and welcomed the guests. He also addressed the audience at the program and motivated them.

The lady P.S.I. (Mahila Police station, Bhavnagar) Ms. S.M.Kalotara was the chief guest and she along with her team guided the students and faculties for how to defend ourself in any unsafe and dangerous situation. They also provided their own contact numbers and gave information about the cyber crimes and securities as well as the 181- “Abhayam” application and how to use it.

They also explained some practical steps and tricks and tips for being aware in every place where a woman may not be safe. Several photographs and other details of the program are shared here.

We, Prof. Khushbu Patel and Prof. Devangi Desai arranged and coordinated the program successfully on behalf of women cell , SSEC, Bhavnagar.
